Seats & Benches

Heritage supply a wide range of benches and seats with either traditional cast iron or fabricated steel ends. All our benches are supplied finish painted or powder coated to suit your own colour scheme. Whichever design is chosen the seating rails can be supplied in either treated hardwood or zinc coated and painted steel.

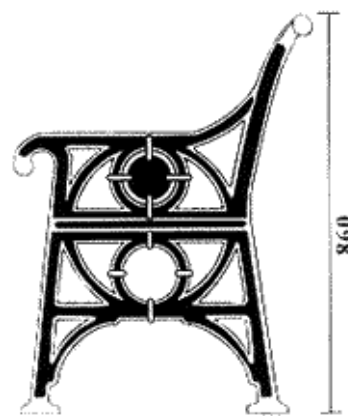

The Eastgate bench displayed is our most popular design incorporating substantial cast iron seat ends with hardwood seating rails and is normally available from stock.

The Eastgate bench is particularly suitable for civic areas or as a commemorative bench in town centres, parks and cemeteries. To compliment your bench, Heritage can include brass plaques to the seat ends or rails with the logo or inscription of your choice.

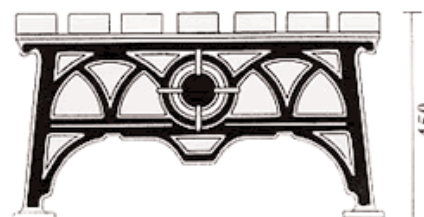

Heritage Street Furniture is an established supplier of quality decorative wrought ironwork and cast Iron products to customers ranging between local authorities, major building contractors or the individual looking for that something special. What we can supply is not limited to what you see in our catalogue, but by the imagination of you the customer.

Heritage Street Furniture is a division of Isaac Butterworth (Ironfounders) Ltd. Based in Rochdale, Lancashire and established in 1898, they are a supplier of engineering castings and pattern equipment to all types of industry.

Quality assured to BS EN ISO 9001:2000
